“Over the year, India and the FIMT Group of Institutions will host a series of activities and events aimed at fostering cooperation and collaboration among the G20 member nations.”

Sh. V.K.N. Bhardwaj

Chairman

FIMT & IPHH Group of Institutions

“The G20 theme “Reflects the importance India places on collaborative efforts to address global challenges.” The goal is to utilize India's traditional knowledge and old wisdom to pave the road for a sustainable future. ”

Dr. Nalini Joshi

Executive Director

Fairfield Institute of Management & Technology

India holding the presidency of the G20 in 2023 is a moment of great pride for our nation and an opportunity for us to showcase our leadership on the world stage.

As the world's largest democracy and a fast-growing economy, India's role in shaping the global agenda has become increasingly important. This G20 presidency provides us with a platform to engage with the world's major economies and address some of the most pressing challenges facing our planet.

Over the year, India and the FIMT Group of Institutions will host a series of activities and events aimed at fostering cooperation and collaboration among the G20 member nations. We will work towards promoting sustainable and inclusive growth, ensuring access to healthcare and education for all, and addressing climate change and other environmental issues.

As we celebrate this historic moment, let us come together as a nation and embrace this opportunity to make a positive impact on the world.

Jai Hind!

Vasudhaiva Kutumbakam, or “One Earth, One Family, One Future,” is the motto of India's G20 Presidency. This is a strong affirmation of our beliefs in shared and universal solutions that draw on from our cultural ethos. Twenty of the world's largest economies are represented by the G20. The G20's agenda has now grown to include topics including climate change, sustainable development, health, agriculture, and anti-corruption.

The global economy may rebound from the current slump and open up new prospects for development and prosperity if the G20 nations can agree on coordinated responses to major global concerns. The G20 theme “Reflects the importance India places on collaborative efforts to address global challenges.” The goal is to utilize India's traditional knowledge and old wisdom to pave the road for a sustainable future. To further emphasize “Vasudhaiva Kutumbakam, the G20 theme, highlights the true spirit of India: One Earth, One Family, One Future.”

"In G20 Engagement will introduce the students that policies and practices adopted in urban areas do have significant effects on global development agendas."

PROF. (DR.) SAROJ VYAS
DIRECTOR,
FIMT

"FIMT is responding to G 20 Presidency by ensuring a prosperous, futuristic, inclusive, and developed society that is distinguished by a human-centric approach at its core."

PROF.(DR.)SHAVETA GAGNEJA
DIRECTOR,
SCHOOL OF LAW

"India will soon be the third largest economy in the world, let us all be reminded of the exponential growth that our nation will undergo in the next decade, as India takes the lead in G20."

DR. SHALINI KUMAR
COORDINATOR,IQAC

"As G20 Coordinator, I would like to welcome all the students to participate in the forthcoming events organized by the institution in and outside the campus with full zeal and enthusiasm."

DR. MANISH K YADAVA
COORDINATOR - G20

"The G20 Presidency of India is a Huge National Event. Therefore, let's unite and take part in it, immerse ourselves in it, and publicise it by becoming its Brand Ambassador so that it stays in our minds forever.."

MS. CHAHAT WADHWA
COORDINATOR - G20

"G20 Engagement will introduce the students that policies and practices adopted in urban areas do have significant effects on global development agendas." Innovation, entrepreneurship, and problem-solving will be the cornerstones for youth-led development everywhere in the world.

We had and are organizing several activities and events related to the G-20 themes and sub-themes in our college so that students can become familiar with it and enhance their knowledge. As Youth is the engine propelling the country to success. The G20 Secretariat chose the theme "Youth for Life" for the Model G20 event to capitalize on the power of Youth in Climate Action through the Life initiative, which is a major goal of India's G20 Presidency. Herein we are doing our part by engaging the students in thematic activities based on Environment.

I wish all the students a fruitful experience in all the activities slated in the coming months.

Prof. (Dr.) Saroj Vyas
Director FIMT COLLEGE

The G20 presidency of India is not merely an event. It inculcates the notion of creating global citizens and is essential to establishing a global order.

It is about collaborating to create a cleaner, healthier, more tranquil, technologically advanced, and yet sustainably developed world. And our education and skills ecosystem plays a significant role in this.

FIMT is responding to G 20 Presidency by ensuring a prosperous, futuristic, inclusive, and developed society that is distinguished by a human-centric approach at its core.

We are making all efforts of living in harmony with the surrounding ecosystem in a sustainable manner

Prof. (Dr.) Shaveta Gagneja
Director, FIMT- School of Law

SUSTAINABLE WALK AT ARAVALLI BIODIVERSITY PARK

NSS VISIT UNDER THE G-20 THEME OF ENVIRONMENT.

FEBRUARY 25-02- 2023 | FIMT, GGSIPU

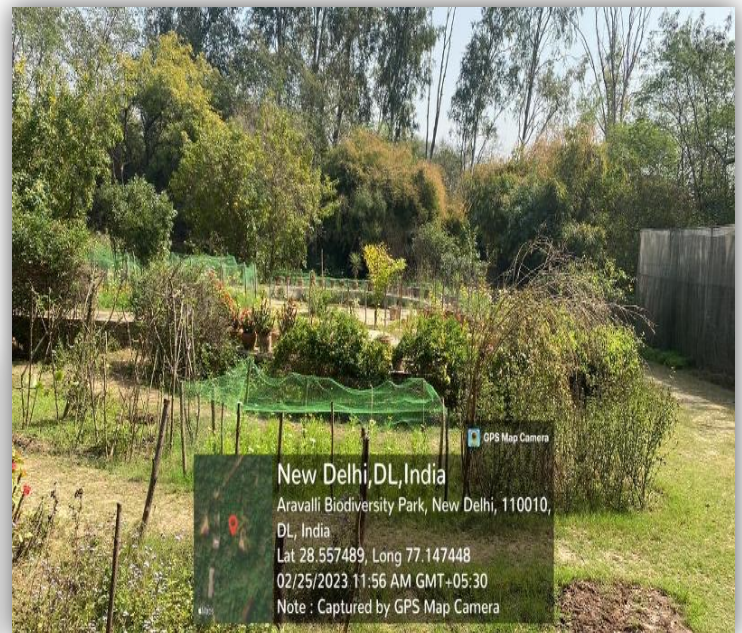

FAIRFIELD-NSS UNIT organised a field visit to the Aravalli Biodiversity Park on the 25th of Feb, 2023 as a part of G20 celebrations. Mr. Divesh Kumar (Asst. Prof) and Ms. Akansha Yadav (Asst. Prof) along with around 50 NSS Volunteers visited the Aravalli Biodiversity Park which is located on the South-Central Ridge and is spread over an area of around 692 acres. The area is bounded clockwise by JNU (Nelson Mandela Marg), the Mehrauli - Mahipalpur Road, NH- 8, the Palam Road, and the southern boundary marked with Vasant Vihar. The landscape is undulating with gentle slopes and dotted with numerous clay and murmur mined pits of different depths, shapes, and sizes. The park can be approached from Vasant Vihar- Poorvi Marg Gate located about 4 Km South West of Moti Bagh.

The descriptions and explanations provided by the Park Coordinator Dr. Balwinder were very informative and thought-provoking. She emphasised on the importance of conserving our environment which remains one of the important themes and focused areas of the G20 Forum. The documentary movie watched at the auditorium was also very enlightening and interesting. To the South East of the Fernery, is the Conservatory of Orchids, one of the high points of the park.

Approx. 50 NSS Volunteers along with two NSS PO's (Mr. Divesh & Ms. Akanksha)

took part in the Sustainable Walk. Ms. Balwinder Kaur Education officer Aravali Bio diversity

Park assisted and enlightened the students and faculties during the visit.
